

2020 Awardee

Outstanding Alumnus Award of College of Fisheries

Col. Sujit Kumar

Col Sujit Kumar is a serving Army Officer who joined College of Fisheries in 1986 & graduated with Vice Chancellor Bronze Medal in 1990. He is first student of the college to join Indian Armed Forces thus setting an example to the subsequent batches of College students to choose a career in Defence Forces & serve towards the cause of defending the nation.

He has been proudly serving in Indian Army since last 29 years across different regions of the country. In addition to operational tasks he has contributed to motivation of youth to join Armed Forces & Environmental Conservation.

As a true GBPUAT Alumnus he has carried on with the spirit of being in pursuit of excellence thereby acquiring multiple qualifications in domains of Ecology & Environmental Sciences, Remote Sensing & GIS, Sustainable Rural Development, Urban Environment Management & Disaster Management with integration of Geoinformatics in each of these domains. He has participated in various National Forums related to Environment Conservation, Societal Development & Geospatial Technology applications as a proud GBPUAT Alumnus.
