

Innovation challenge

COVIDscape

An Escape To a Better Tomorrow

Design Innovation Center (DIC) IIT Roorkee in parallel interest with the MHRD, GOI is providing a platform to come up with the solutions to fight against the CoVID-19. This involves an innovation challenge to get the creative ideas from the young minds. It is based on the development of devices and strategies for post-lockdown situation. The competition is only for these selected institutes: IIT Roorkee, NIT Uttarakhand, IIM Kashipur, G.B. Pant University of Agriculture & Technology and NID Haryana. The product should be focused on the following themes.

Themes

1. Sanitisation of campus
2. Detection of infected people and alarm system
3. Sanitisation of vehicles inside the campus
4. Hand sanitisation arrangements and alarms in campus
5. Reuse or recycling of facemasks and PPE kits
6. Maintaining social distance among the students
7. Solutions for farmers and labourers
8. Other relevant solutions

Top three teams will be funded by DIC, IITR for Prototyping and IPR Support
