GBPUAT, Pantnagar invites applications for 4 days **International Workshop on Scientific Writing** starting from 8th July, 2022 to 11th July, 2022. This workshop is specially designed to provide an interactive platform for the university students & researchers to improve their skills in scientific writing.

Objectives

1. Why publish research? The main stages of a publication effort.

2. Developing the main message & key elements of a publication. Connecting all the components of a manuscript together.

3. Developing the Results and the Materials & Methods.

4. Using the scientific literature. Developing the Discussion and Introduction sections.

5. Reviewing the work with Colleagues. The many style issues, and how to address the main ones. Selecting a suitable journal.
